1 2. On or about February 7, 2007, the Board issued Physician's and Surgeon's Certificate
2 No. A 98864 to Respondent. The Physician's and Surgeon's Certificate was in full force and
3 effect at all times relevant to the charges brought herein and will expire on November 30, 2018,
4 unless renewed. (Exhibit 2.) An Interim Suspension Order was issued on November 17, 2017, by
5 ALJ Karen J. Brandt and remains in effect which prevents the Respondent from practicing
6 medicine during the pendency of the administrative proceedings. (Exhibit 3.)

7 3. On or about December 12, 2017, Jody Wright, an employee of the Board, served by
8 Certified Mail a copy of the Accusation No. 800-2016-024973, Statement to Respondent, Notice
9 of Defense, Request for Discovery, and Government Code sections 11507.5, 11507.6, and
10 11507.7 to Respondent's address of record with the Board, which was and is 2912 Palliser Ct.
11 Modesto, CA 95355. (Exhibit 4.) As of January 23, 2018, the Medical Board has not received a
12 copy of the green certified receipt card or a returned mailing. (Exhibit 5.) Service of the
13 Accusation was effective as a matter of law under Government Code section 11505, subdivision
14 (c).

15 4. On or about January 11, 2018, Shelby Fuller, an employee of the Office of the
16 Attorney General, served a Courtesy Notice of Default for Accusation No. 800-2016-024973, by
17 certified mail to Respondent's address of record with the Board, which was and is 2912 Palliser
18 Ct. Modesto, CA 95355. (Exhibit 6.) In addition, Ms. Fuller sent a copy of the Courtesy Notice
19 of Default by e-mail to Respondent's last known e-mail address at [REDACTED]

20 5. To date, Respondent has not filed a Notice of Defense with the California Department
21 of Justice. (Exhibit 7.)

22 6. Government Code section 11506 states, in pertinent part:

23 “(c) The respondent shall be entitled to a hearing on the merits if the respondent files
24 a notice of defense, and the notice shall be deemed a specific denial of all parts of the
25 accusation not expressly admitted. Failure to file a notice of defense shall constitute a
26 waiver of respondent's right to a hearing, but the agency in its discretion may nevertheless
27 grant a hearing.”

1 7. Respondent failed to file a Notice of Defense within 15 days after service upon him
2 of a true and correct copy of Accusation No. 800-2016-024973, and therefore waived his right to
3 a hearing on the merits of Accusation No. 800-2016-024973.

4 8. California Government Code section 11520 states, in pertinent part:

5 “(a) If the respondent either fails to file a notice of defense or to appear at the
6 hearing, the agency may take action based upon the respondent’s express admissions or
7 upon other evidence and affidavits may be used as evidence without any notice to
8 respondent.”

9 9. Pursuant to its authority under Government Code section 11520, the Board finds
10 Respondent is in default. The Board will take action without further hearing and, based on
11 Respondent’s express admissions by way of default and the evidence before it, contained in
12 exhibits 1 through 9¹, finds that the allegations and each of the them, separately and severally, in
13 Accusation No. 800-2016-024973 are true and correct.

14 10. California Business and Professions Code section 820 provides in pertinent part that
15 the Medical Board shall require a licensee who appears to be unable to practice medicine safely
16 as a result of a physical or mental impairment to undergo an evaluation by a licensed healthcare
17 professional.

18 11. California Business and Professions Code section 822 provides in pertinent part that
19 the Medical Board of California shall have the power to take action against a licensee who is
20 unable to practice safely because the licensee suffers from a physical or mental impairment. The
21 Code further provides that the Board may revoke a license of a licensee, suspend a licensee’s
22 right to practice, place a licensee’s license on probation, and/or take any other action that the
23 Board believes in its discretion it deems proper. Pursuant to Business and Professions Code
24 section 822, the Board shall not restore or reinstate a revoked license until the Board is satisfied
25 that the person’s right to practice may be safely reinstated.

26
27 ¹ Exhibit 8 is the Declaration and Report of Psychiatrist A. Exhibit 9 is the Certified
28 Conviction Documents for Case 16FE014081.

1 12. California Business and Professions Code section 2236 provides in pertinent part that
2 the Medical Board of California shall have the power to discipline a license for unprofessional
3 conduct when the licensee is convicted of any offense substantially related to the qualifications,
4 functions, or duties of a physician and surgeon. The Code further states that a plea or verdict of
5 guilty or conviction after a plea of nolo contendere is deemed to be a conviction and that record
6 of the conviction shall be conclusive evidence of the fact that the conviction occurred.

7 13. Respondent's license is subject to action under Business and Professions Code 822 by
8 reason of the following:

9 a. On or about August 4, 2016, the Board received a Health Facility/Peer Review
10 Reporting Form, ("805 Report") from Kaiser Foundation Hospital-Modesto ("Kaiser"). The
11 report documented that on July 25, 2016, Respondent's staff privileges had been suspended. The
12 805 report stated that Kaiser's Executive Committee had recommended termination of
13 Respondent's privileges on July 18, 2016, due to "escalating concerns regarding certain aspects of
14 Grewal's professional communication, responsiveness, and behavior that were affecting or could
15 affect his patient care activities." Respondent requested a two-year leave of absence and his
16 request was granted.

17 b. On August 10, 2016, the Division of Investigation Health Quality Investigation
18 Unit ("HQIU") began investigating Respondent regarding the 805 report. During the
19 investigation, it was learned that Respondent had been arrested on a number of occasions for
20 battery, trespassing, and assault. Documents related to the arrests were obtained as part of the
21 investigation. Documentation was obtained from Kaiser related to the 805 report. Further
22 investigation revealed that Respondent had first requested a leave of absence from Kaiser on May
23 20, 2016. On June 22, 2016, Respondent returned to work as a hospitalist. During his shift,
24 Kaiser staff were unable to locate him. When finally reached by phone, Respondent told the staff
25 that he had gone home sick. Respondent didn't notify staff before leaving the hospital.
26 Respondent was upset and advised staff to perform medicine outside of their scope of practice.
27 Respondent came back to the hospital and was confrontational with staff after they asked to
28 discuss his unexplained absence. Kaiser placed Respondent back on a leave of absence on June

23, 2016. On June 30, 2016, Respondent showed up at the Kaiser emergency room and locked himself in a bathroom. Kaiser security escorted him to the emergency room for a mental health evaluation.

c. On July 1, 2016, Respondent went to a Kaiser facility in Sacramento. He was forcefully removed from the hospital. On July 4, 2016, Respondent was taken to a Kaiser facility in Sacramento on a Welfare and Institutions section 5150 mental health hold. On July 17, 2016, Respondent was formally suspended from Kaiser.

d. On March 13, 2017, Respondent was interviewed by a Board-certified psychiatrist ("Psychiatrist A"²) that the Medical Board retained to evaluate Respondent. Psychiatrist A reviewed Respondent's mental health records, various arrest reports, and the Kaiser records related to Respondent's privileges as part of his mental health evaluation. On August 14, 2017, Psychiatrist A diagnosed Respondent with Unspecified Schizophrenia Spectrum and Other Psychotic Disorder (DSM 298.9). Psychiatrist A opined that Respondent's mental illness severely impairs Respondent's ability to practice medicine and that Respondent was not safe to practice. Psychiatrist A determined that Respondent's psychotic symptoms would be difficult to treat in such a way that would allow for the safe practice of medicine due to Respondent's lack of awareness and insight into his mental illness. (Exhibit 8.)

14. Respondent's license is subject to disciplinary action under Business and Professions Code section 2236 by reason of the following:

a. On July 14, 2016, Respondent was arrested for assault with a deadly weapon. Respondent's father reported that Respondent came to his residence. Respondent picked up an empty glass beer bottle from the kitchen sink and smashed the bottom creating a sharp weapon. Respondent then lunged at his father with the broken beer bottle stating that he was going to kill his father. Respondent's father grabbed Respondent's other hand to defend himself and was cut by the bottle. Respondent's father reported that Respondent was getting "worse and worse," and that "(s)omething is not right with him." Respondent's father was forced to flee his residence and

² The psychiatrist's identity has been removed to preserve confidentiality.

1 he called 911 on his cellular phone. An emergency protective order was issued that required
2 Respondent to stay away from his father's residence.

3 b. On July 22, 2016, Respondent was charged in a criminal complaint with a
4 felony violation of Penal Code 368(b)(1), elder abuse, and a felony violation of Penal Code
5 section 245(a)(1), assault with a deadly weapon, in Sacramento Superior Court Case No.
6 16FE014081 for the incident that occurred on July 14, 2016. It was alleged that Respondent had
7 used a bottle in the commission of both offenses and that the victim was his father. Respondent
8 was arraigned on August 1, 2016, and entered a plea of not guilty.

9 c. On July 12, 2017, Respondent entered a plea of no contest to an amended
10 Count 2 of the criminal complaint in Sacramento Superior Court Case No. 16FE014081, alleging
11 a misdemeanor violation of Penal Code 245(a)(4), assault by means likely to cause great bodily
12 injury. Respondent was placed on three years' informal probation with a stayed sentence of 120
13 days in jail. (Exhibit 9.)

14 **DETERMINATION OF ISSUES**

15 1. Based on the foregoing findings of fact, Respondent Aman Logan Grewal, M.D. has
16 subjected his Physician's and Surgeon's Certificate No. A 98864 to action under Business and
17 Professions Code section 822 and disciplinary action under Business and Professions Code
18 section 2236.

19 2. The agency has jurisdiction to adjudicate this case by default.

20 3. Pursuant to the authority under the California Government Code section 11520, and
21 based on the evidence before it, the Board hereby finds that the charges and allegations contained
22 in Accusation No. 800-2016-024973, and the Findings of Fact contained in paragraphs 1 through
23 14, above, and each of them, separately and severally, are true and correct.

25 Findings of Fact contained in paragraphs 1 through 14, above, and Determination of Issues 1, 2,
26 and 3, above, the Board hereby finds that Respondent Aman Logan Grewal, M.D., has subjected
27 his Physician's and Surgeon's Certificate No. A 98864 to action under California Business and
28

1 Professions Code section 822 and disciplinary action under California Business and Professions
2 Code section 2236 in that he has:

3 a. A mental impairment that prevents him from safely practicing medicine and his

5 cause to take action pursuant to Business and Professions Code section 822; and

3 against Respondent's license. On November 17, 2017, an ALJ issued a Decision and Order on
4 the Board's Petition for an Interim Suspension Order that continued to bar Respondent from the

6 JURISDICTION

7 3. This Accusation is brought before the Board, under the authority of the following
8 laws. All section references are to the Business and Professions Code unless otherwise indicated.

9 4. Section 2227 of the Code provides, in pertinent part, that a licensee who is found
10 guilty under the Medical Practice Act may have his or her license revoked, suspended for a period
11 not to exceed one year, placed on probation and required to pay the costs of probation monitoring,
12 or such other action taken in relation to discipline as the Board deems proper.

13 5. Section 2234 of the Code, states, in pertinent part:

14 "The board shall take action against any licensee who is charged with unprofessional
15 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not

24 evidence only of the fact that the conviction occurred.

25 "..."

26 "(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to

1 7. Section 490 of the Code provides, in pertinent part, that a board may suspend or
2 revoke a license on the grounds that the licensee has been convicted of a crime substantially
3 related to the qualifications, functions, or duties of the business or profession for which the
4 license was issued.

5 8. Section 493 of the Code states, in pertinent part:

6 “Notwithstanding any other provision of law, in a proceeding conducted by a board within
7 the department pursuant to law to deny an application for a license or to suspend or revoke a
8 license or otherwise take disciplinary action against a person who holds a license, upon the
9 ground that the applicant or the licensee has been convicted of a crime substantially related to the
10 qualifications, functions, and duties of the licensee in question, the record of conviction of the
11 crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact,
12 and the board may inquire into the circumstances surrounding the commission of the crime in
13 order to fix the degree of discipline or to determine if the conviction is substantially related to the
14 qualifications, functions, and duties of the licensee in question.”

15 9. California Code of Regulations, title 16, section 1360, states, in pertinent part:

18 considered to be substantially related to the qualifications, functions or duties of a person holding
19 a license, certificate or permit under the Medical Practice Act if to a substantial degree it
20 evidences present or potential unfitness of a person holding a license, certificate or permit to
21 perform the functions authorized by the license, certificate or permit in a manner consistent with
22 the public health, safety or welfare. Such crimes or acts shall include but not be limited to the
23 following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the

14 "The licensing section shall not reinstate a revoked or suspended certificate or license until
15 it has received competent evidence of the absence or control of the condition which caused its
16 action and until it is satisfied that with due regard for the public health and safety the person's
17 right to practice his or her profession may be safely reinstated."

18 CAUSE FOR ACTION

19 **(Mental Impairment Impacting Ability to Safely Practice Medicine)**

20 12. Respondent's license is subject to restriction under section 822 in that his ability to
21 practice medicine safely is impaired due to a mental illness. The circumstances are as follows:

22 13. On or about August 4, 2016, the Board received a Health Facility/Peer Review
23 Reporting Form, ("805 Report") from Kaiser Foundation Hospital-Modesto ("Kaiser"). The
24 report documented that on July 25, 2016, Respondent's staff privileges had been suspended. The
25 805 report stated that Kaiser's Executive Committee had recommended termination of
26 Respondent's privileges on July 18, 2016, due to "escalating concerns regarding certain aspects of
27 Grewal's professional communication, responsiveness, and behavior that were affecting or could

28 ///

1 affect his patient care activities.” Respondent requested a two-year leave of absence and his
2 request was granted.

3 14. On August 10, 2016, the Division of Investigation Health Quality Investigation Unit
4 (“HQIU”) began investigating Respondent regarding the 805 report. During the investigation, it
5 was learned that Respondent had been arrested on a number of occasions for battery, trespassing,
6 and assault. Documents related to the arrests were obtained as part of the investigation.
7 Documentation was obtained from Kaiser related to the 805 report. Further investigation
8 revealed that Respondent had first requested a leave of absence from Kaiser on May 20, 2016.
9 On June 22, 2016, Respondent returned to work as a hospitalist. During his shift, Kaiser staff
10 were unable to locate him. When finally reached by phone, Respondent told the staff that he had
11 gone home sick. Respondent didn’t notify staff before leaving the hospital. Respondent was
12 upset and advised staff to perform medicine outside of their scope of practice. Respondent came
13 back to the hospital and was confrontational with staff after they asked to discuss his unexplained
14 absence. Kaiser placed Respondent back on a leave of absence on June 23, 2016. On June 30,
15 2016, Respondent showed up at the Kaiser emergency room and locked himself in a bathroom.
16 Kaiser security escorted him to the emergency room for a mental health evaluation.

17 15. On July 1, 2016, Respondent went to a Kaiser facility in Sacramento. He was
18 forcefully removed from the hospital. On July 4, 2016, Respondent was taken to a Kaiser facility
19 in Sacramento on a Welfare and Institutions section 5150 mental health hold. On July 17, 2016,
20 Respondent was formally suspended from Kaiser.

21 16. On March 13, 2017, Respondent was interviewed by a Board-certified psychiatrist
22 (“Psychiatrist A.”¹) that the Medical Board retained to evaluate Respondent. Psychiatrist A.
23 reviewed Respondent’s mental health records, various arrest reports, and the Kaiser records
24 related to Respondent’s privileges as part of his mental health evaluation. On August 14, 2017,
25 Psychiatrist A. diagnosed Respondent with Unspecified Schizophrenia Spectrum and Other
26 Psychotic Disorder (DSM 298.9). Psychiatrist A. opined that Respondent’s mental illness
27

28 ¹ The psychiatrist’s identity has been removed to preserve confidentiality. All witnesses
will be identified in discovery.

1 severely impairs Respondent's ability to practice medicine and that Respondent was not safe to
2 practice. Psychiatrist A. determined that Respondent's psychotic symptoms would be difficult to
3 treat in such a way that would allow for the safe practice of medicine due to Respondent's lack of
4 awareness and insight into his mental illness.

5 17. Respondent is subject to action under Business and Professions Code section 822 in
6 that his ability to practice medicine safely is impaired due to a mental illness, to wit:
7 Schizophrenia Spectrum and Other Psychotic Disorder (DSM 298.9).

8 **FIRST CAUSE FOR DISCIPLINE**

9 **(Conviction of a Crime Substantially Related to the Qualifications, Functions, and Duties of**
10 **a Physician and Surgeon)**

11 18. Respondent's license is subject to disciplinary action under section 490, 493, and
12 2236 of the Code and California Code of Regulations, title 16, section 1360, in that he was
13 convicted of a crime substantially related to the qualifications, functions, and duties of a
14 physician and surgeon when he was convicted of assault by means likely to cause great bodily
15 injury. The circumstances are as follows:

16 19. On June 19, 2016, at approximately 1:30 a.m., Respondent brought his children to his
17 father's house and dropped them off. Respondent had been drinking alcohol. At 3:30 a.m.
18 Respondent returned to his father's residence and slept until 7:00 a.m. At approximately 7:00
19 a.m., Respondent approached his father while he opened and closed a pocket knife several times.
20 Respondent stated, "Dad, I can kill you in 15 seconds." Respondent's father contacted the
21 Sacramento County Sheriff's Department to report the threat.

22 20. On July 4, 2016, Respondent was placed into custody by Sacramento County Sheriff
23 Deputies on a Welfare and Institution Code section 5150 hold after Respondent's father reported
24 that Respondent had approached the back door while holding a knife and stated, "I can kill you in
25 15 seconds." Respondent's father stated that his son was suffering from delusional thoughts and
26 that he was concerned for his son's mental health.

27 21. On July 14, 2016, Respondent was arrested for assault with a deadly weapon.
28 Respondent's father reported that Respondent came to his residence. Respondent picked up an

1 empty glass beer bottle from the kitchen sink and smashed the bottom creating a sharp weapon.
2 Respondent then lunged at his father with the broken beer bottle stating that he was going to kill
3 his father. Respondent's father grabbed Respondent's other hand to defend himself and was cut
4 by the bottle. Respondent's father reported that Respondent was getting "worse and worse," and
5 that "(s)omething is not right with him}" Respondent's father was forced to flee his residence and
6 he called 911 on his cellular phone. An emergency protective order was issued that required
7 Respondent to stay away from his father's residence.
